

MyBMT

The smarter, faster and easier way to access depreciation schedules

The MyBMT portal allows users to view, update and manage tax depreciation schedules online in one central location. It is free to register and enables users on the go access to schedules anytime, anywhere.

Property Investors

- View, update and download schedules
- Upload property files, photos and receipts
- Add members of your investment team, including your Accountant
- Calculate a depreciation estimate on any property
- Request a schedule for new purchases

For Accountants

- Check on the progress of your clients schedules
- Request updates to your clients schedules
- Request a quote for your clients to order a new schedule
- Download completed schedules for your clients in both CSV and Excel formats
